Dear Valued Partner

Greetings in the name of our Lord, Jesus Christ.

At Highflyers Christian Centre, we have a mandate to raise people of global relevance. With unwavering vigour, we have pursued this mission from inception, by God's grace. Our past CSR programmes have included free medical outreaches, back-to-school backpacks for secondary school students, Digital Skills Training, donations of beddings and toiletries to a government ante-natal clinic, and entrepreneurial training in bag-making, shoemaking, and computer repairs. We are also proud to partner with HILLCITY Foundation, providing scholarships to students in higher institutions.

As we approach our 10th anniversary on February 7th, 2026, we want to give back to our community on a larger scale. We believe that faith without action leaves potentials untapped. That's why we're launching the Wealth Mastery Program, a transformative tech training designed to equip men and women with in-demand digital skills: AI tools, Social Media Marketing, Virtual Assistance, and No-code Website Design. These skills are gateways to financial independence, stronger families, and the freedom to serve God without financial struggle.

Your support can create real-life impact. By partnering with us, you'll directly empower participants, providing equipment, resources, and opportunities that change lives. We'll engage seasoned tech experts from Port Harcourt to facilitate the conference/training. Our partners will be acknowledged in our publicity and ad campaigns, as well as throughout the conference.

Here are our partnership packages:

1. Premium Partnership (#5,000,000)
